Young Adult Lifegroup (YAL)

We are an inclusive group of God-seeking young adults who like to explore our beliefs through experiences, service, the church, our work, and the world.

We welcome all young adults, post-high school to early 30s, who are interested in exploring their faith together.

About Our Group...

The Young Adult Lifegroup (YAL) began in 2012 with a few committed young adults. The group has grown and we now have a planning team. We continue to grow and evolve. Future plans are to have two groups: a younger group (post-high school / college students); and an older group (career-minded professionals, late 20s-early 30s); so we can better cater to each person's needs. We are thankful for the many gifts our members bring to the group and value your ideas. Come and be a part of YAL. We welcome single or married individuals.

Community and Fun

Fun activities to create community:

- **Hiking**
- **Laser Tag**
- **Picnics**
- **Whatever seems good at the time...**

Service

Serving is one way we choose to give back to God. We are always looking for different and exciting opportunities to be God's love in action by helping others, improving our world, or caring for the earth.
